

# GATEWAY TO THE ARTS PRESENTS:

## Day Camp

Do you have a budding Monet or Picasso? If so why not let them come and stretch their creative talents with various art techniques. Kids will create multiple art projects over the course of the week and then sell their wares in a kids only art show on Friday open to families, friends and the public.

The kids will curate and run their own show.

### Programming includes:

- Various crafts and techniques for artists
- Outdoor time (Splashpad and playground)
- Independent craft exploration time
- Kid friendly lessons on marketing and pricing
- Special Friday lunch (think gala a la kids)
