

JUNE 2022

# YOUR DOWNTOWN

## WELCOME

Our June edition is all about re-introducing you to Downtown North Bay & Waterfront, so that you can come and re-discover it for yourself.

Many changes have happened during the pandemic, including our logo, we also have an icon version of the new logo.

**DOWNTOWN  
NORTH BAY  
& WATERFRONT**

You might notice some changes to the icon as the seasons change. Your eyes aren't playing tricks on you.

We hope you come and rediscover Downtown North Bay and Waterfront. Bring a friend, park for free for 2 hours in Lot 2, and enjoy a walk by the lake, then hit up your favourite Downtown spot for a cool drink.

Wednesdays and Saturdays, the North Bay Farmer's Market sets up their stalls with a variety of vendors and artisans.
