POST PROGRAM EXTENSION

PEER OUTREACH SECURITY PROGRAM (POST)

Happy to share that the pilot program has received additional funding and will be extended until March 31st. Hours past January 31st are being discussed. I will update you once I have received the information.

The program pairs a peer outreach worker from True-Self, and a security guard from Securiguard to provide 'visible' support for the vulnerable, and a resource for the business community and patrons.

Until January 31st, the hours are 10am-6pm **Monday through Sunday**. You can connect with POST for non-police matters by calling **705-498-9482** during deployment hours, or leave a message. Police responses can be directed via **911** in emergencies, or the main line **705-472-1234**.
