MINUTES

1. Make a decision on wood flower project.
 - Not moving forward.
2. Update on downtown maintenance.
 - Municipal liaison has detailed concerns and will discuss with internal departments.
3. Electrical update for Oak St.
 - Have asked municipal liaison if there is an option to tap into power on hydro poles, as light standards are already on poles.

Priorities

- NB Hydro: seek quote on cost for one pole.
- Main E alleyway update.
- Aluminum mural: fix it and install it.
- Hire artist to paint windows of vacant spaces: need theme for cohesiveness.
- Cigarette container requested for Oak W.
- Main W lot: will the city plant flowers in planters?
- Need planters for the Main E empty lot. Need permission from owner & quote for build and planting.
- Flower beds in Main W walkway: Pat has asked who is maintaining these, and can we get flowers to fill them?
